In order to schedule monthly payments by telephone, you will need this statement and your bank account information. You will be asked to provide the last four (4) digits of the social security number of the primary borrower as your electronic signature. Credit Reporting. Credit Reporting. We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report. We normally report the status and payment history of your Account to credit reporting agencies each month. If you believe that our report is inaccurate or incomplete, please write us at this address: Discover, PO Box 30939, Salt Lake City, UT 84130-0939. Please include your name, address, home telephone number and Account number.

Paying Interest. Your due date is at least 25 days after the close of each billing period. We will begin charging interest on Cash Advances and Balance Transfers as of the later of the Transaction Date or the first day of the billing period in which the transaction posted to your Account. If you pay the New Balance on your current billing statement by the Payment Due Date shown on that billing statement, we will not impose interest charges on New Purchases. New Purchases are Purchases that first appear on the next billing statement. Interest will continue to accrue each day on purchases that appeared on previous billing statements until you pay the New Balance in full and will be billed in the next billing cycle.

How We Calculate Interest Charges. We Use the Daily Balance Method (including current transactions) to calculate the Balance Subject to Interest Rate. For more information, please call us at 1-800-347-2683.

Balance Subject To Interest Rate. Your statement shows a Balance Subject to Interest Rate. It shows this for each transaction category. The Balance Subject to Interest Rate is the average of the daily balances during the billing period.

Credit Balances. If your Account has a credit balance, the amount is shown on the front of your billing statement. A credit balance is money that is owed to you. You may make charges against this amount if your Account is open. We will send you a refund of any remaining balance of $1.00 or more after 6 months, or as otherwise required by applicable law, or upon request made to the address in the Contact Us section on page 3 of your billing statement.

Balance Transfers. Your account may not always be eligible for balance transfers. Balance transfers accrue interest at the standard purchase rate unless we tell you otherwise.

Discover may monitor and/or record telephone calls between you and Discover representatives for quality assurance purposes.
